

To Whom It May Concern,

My name is Paolo Tramezzani and I am writing this letter to provide a recommendation for Eugenio Sena.

I was appointed the Manager of Al Faisaly (Saudi Premier League) for the 2021-22 football season and I brought Eugenio with me as my Assistant Manager.

Eugenio is an exceptional person, an extremely hard worker, being always available at any time to help the club.

We have worked in a very new environment with big difference regarding culture, language, religion, nutrition, level of players etc. Eugenio adapted quickly and created a big sense of belonging and humility as well.

He proposed to me a wide high level variety of trainings, technical warm ups, passing drills, conditioning games, tactical drills, set pieces, all of these he was able to manage deliver himself.

Eugenio analysed the opponent and presented to me technical/ tactical individual and team reports in details. Relating to this, Eugenio proposed to me several tactical solutions based on how to beat the opponent and exploit their weakness.

Also Eugenio was able to use video-analysis software's and digitally drawn drills to show his ideas in the best way and databased them as well.

Before matches began, as soon as the opponent line up was announced, Eugenio knew the opponent shape and set pieces threat players. During the game Eugenio knew how the opponent team could change shape based changes made by the opposition team.

Before the match Eugenio reminded the players of their role in set pieces tactics and prepared on video and papers as well to emphasise his points. During the match Eugenio changed the positions and the markers relative to the changes in / out of possession.

Eugenio has a massive knowledge of the game and his support was tremendous in all aspects.

I highly recommend Eugenio as Manager or Assistant Manager and do not hesitate to ask him my contact details if you want to know more about him.

PAOLO TRAMEZZANI
